Listed below is information on Climate Advocacy that you can do now. Please check the links for details.

**LD 993** would create a Maine Forest Advisory Board to advise the Department of Agriculture, Conservation and Forestry on a variety of forestry issues. Right now, the industry is the only big voice on forest issues of Maine! Reach out to the chairs of ACF (including UU Bill Pluecker) to urge them to support it, or email your legislators to urge them to vote for this bill when it comes to the floor. For more information visit the [Environmental Priorities Coalition Fact Sheet](#) or go to the [Advocacy Tips and Tools](#) to learn how to contact your legislators.

Are you curious about the issues that we as UUs might want to advocate on? Check out the [MUUSAN Bill Priorities](#) and the [MUUSAN Bill Watchlist](#)! If you are passionate about any of these issues, you can follow up on any of these issues by contacting the relevant [Issue Group chair](#) or just directly contacting your legislator or testifying at a hearing by using the [MUUSAN Tips and Tools](#)!

### **People United Against Racism:**

**The regular Monday Vigils in Veterans Memorial Park in Newcastle have been paused. We are transitioning to Vigils on an “as needed” basis, in response to unfolding events.**

Community members can suggest a vigil by emailing [peopleuar@gmail.com](mailto:peopleuar@gmail.com), and we'll send out the call via the PUAR email list and our Facebook page. Any vigils called through PUAR will be at 5 pm (as the weather warms up) and on Mondays, unless otherwise indicated.
