Feb. 12: What's Love Got to Do With It? Rev. Donna Dolham

In this commercialized season of love we are lulled by media and commercialism to see love as a passing day, a purchased proof. Love is built moment on moment in our personal lives and in our public lives. Cornel West states, "Justice is what love looks like in public." Join us this Sunday as we explore what love looks like from the inside out!

LIVE AT SKIDOMPHA LIBRARY AT 10:30 am

While we continue to recommend vaccination and the wearing of masks during Sunday services, we are no longer requiring them.

We will continue to operate our high capacity Blueair air purifiers in Porter Hall during services. You may also join us via Zoom.

Heating Assistance Needed in Lincoln County

At this time of year, many folks in Lincoln County are having difficulty heating their homes and staying warm and dry. We will all be receiving checks from the State of Maine shortly, whether we are in need or not. If you don't require this help, or do not need all of this for your own needs, why not consider a donation to CHIP, the Community Housing Improvement Project, to help Mainers who perhaps need more help than you. Please contact CHP at <https://www.chipinc.org/> and go to their donation page.

Thank you!
